BEGIN NOVEMBER TERM

Will Set Docket To-Morrow—Grand Jury Will Not Be Summoned.

The November term of Hustings Court, Part 2, will be convened to-morrow morning by Judge Ernest H. Wells. The civil docket will be set. It contains many cases of prominence, including one damage suit for \$10,000, two for \$5,000 each, a libel suit for \$3,000, and many other cases of interest. The grand jury will not be summoned until later in the term. Two alleged felons have been sent on from Police Court, Part 2, and as both men

are out on heavy bail, it is not necessary that their cases should be tried at once.

On Wednesday Judge Wells will take up the suit of Merino against J. C. Phasp. Damages in the sum of \$10,000 are sought for the death of a small child, alleged to have resulted from the negligence of the defendant. James S. Shelton represents the plaintiff. John A. Lamb will appear for the defense.

LOSES LARGE SUM

To start out with a bundle of bank notes totaling \$500, and arriving at

his destination minus the roll, was the unlucky experience of Edward Carr, paymaster of the Richmond Electric Company. His bill and McDonough Streets, who yesterday morning, between Tenth and Main Streets and the office on the Southside, lost the money which was to have been used in paying off the force at the factory.

Mr. Carr went to a Richmond bank after the money. He had failed to bring the bag in which he usually carried the cash. For that reason he put the silver and small change in a side pocket and an envelope with the bills in the office he was horrified to discover his loss. Up to a late hour last night the money had not been found, although a diligent search was at once started.

Property Sold by Commissioners.

At a commissioners' sale yesterday in front of the courthouse in Washington Square, J. A. Chalkley, H. L. Chalkley and Wirt Robertson, all of Chesterfield County, bid in 655 acres of Chesterfield farm and timber land for \$7,500. The property is located about three miles due west of Winterpeck. The sale is subject to approval of Judge Robert C. Southall of the Chesterfield Circuit Court. L. P. Pool and W. G. Smith acted as commissioners. Willis C. Pulliam represented the property owners.

Undisputed Body Buried.

Without being identified, the body of a white youth, apparently fifteen years of age, who met death Wednesday night beneath the wheels of an Atlantic Coast Line train near Drewry's Bluff, was consigned to a lonely grave beside the tracks near Kingsland yesterday.

The boy was light complexioned. He wore a suit of blue serge and had on a striped neck tie. His shoes were new and had sharp points. In one was found a scrap of a Philadelphia paper. In his pockets was a postcard bearing a Philadelphia Postmark, 75 cents in money and a fountain pen. Nothing that would solve his identity was found.

With the Police.

John C. McDermott, superintendent of the Virginia Iron and Metal Company, was arrested yesterday afternoon on a warrant in which he was charged with curbing and abusing and threatening to do bodily harm to E. H. Bernstein, president of the concern.

Henry Chandler, colored, was arrested yesterday charged with disorderly conduct. He is alleged to have engaged in a game of crap.

Southsiders were last night treated to an impromptu parade. Captain A. S. Wright, of the Third District, led the procession, with two prisoners at his side. He was followed in order by Officer Finley and Sharp, each with one captive. Officer Moore acted as rear guard, bringing up the column in fine style. The men were caught in a raid on a crap game.

To Visit County Schools.

The Chesterfield County schools will receive an official visit to-morrow from J. D. Eggleston, State Superintendent of Public Instruction. Mr. Eggleston will make the trip, covering about seventy-five miles, in an automobile. He will be accompanied by William G. Owens, county superintendent, and Jackson Davis, of the Co-operative Educational Association. Supervisors, will be the first visited. The members of the School League and all parents are invited to be present. Mr. Eggleston will make a short address here and at the other schools. Mr. Davis will take

photographs to illustrate an educational publication.

Gets Bill of Separation.

On the grounds of desertion, Frank E. Marshall, of 803 Decatur Street, has been granted a bill of separation from his wife Hazel A. Marshall, of Richmond, by Judge Ernest H. Wells, of Hustings Court, Part II. At the expiration of three years, providing there has
